Tarang Shah to Present at the CTIA in Las Vegas

Las Vegas, May 23, 2013 — Tarang Shah, Managing Partner at Bois Capital, presents at the CTIA: The Future of Mobile Payments for Hospitality and Retail

Mobile payments, also known as mobile money or mobile wallet, are expected to be one of the greatest growth areas in the near future. We will sort through all the options that compose mobile payments and what you can expect from future technologies that will drive sales.
