Tarang Shah to Speak at TiECON Southwest

New York, September 8, 2014 — Tarang Shah, Managing Partner of Bois Capital, is scheduled to speak at TiECON Southwest.

TiECON Southwest is TiE Southern California's signature annual conference bringing together some 1000 entrepreneurs, corporate executives, and business professionals for a good combination of substantive conversation and peer networking.

Unlike TiECON (Silicon Valley), emphasis is not just given to Information Technology. TiECON Southwest brings together highly successful business women and men from varying industries such as Entertainment, Agriculture, Healthcare, Large scale Construction, Mining, Renewable Energy and Information Technology.

The agenda features several keynote/plenary discussions and a number of smaller break-out panels, with plenty of time for informal exchange and mentorship.

TiECON SouthWest is brought to you in association with TiE Southcoast, TiE Arizona, TiE San Diego, TiE Rockies and TiE Nevada.
